

BACK TO SCHOOL DRIVE

Summer will be gone in the blink of an eye, and it will be time for alarm clocks, backpacks and homework again. School starts on August 12th in Hillsborough County!

Joshua House provides some of the things our children need to have a successful school year – a good night's sleep, nutritious meals, help with homework, compassion, and encouragement. But, YOUR help is needed for other vital things – school supplies, uniforms, clothing and shoes, and other personal items.

Each year we serve 150 or more school-aged children.

Each year we coordinate a Back to School Collection, and each year you, our generous donors, come through to lend a hand for our children. Thank you for that! We honestly couldn't fulfill our mission without you.

This year we are asking for your support once again. And – if we may be so bold - we would like to propose a special favor: Can you help with new clothes/school uniforms for a child this year? New clothes for a new school year are so important for these children. They have been made to feel “less than” in so many ways. Joshua House strives to build them back up - through therapy, encouragement and celebrations of their successes – but having the “right” clothes means a lot – especially to pre-teens and teenagers.

HOW CAN YOU HELP?
